

WELCOME BACK!

DEAR PARENTS,

The beginning of the school year is approaching and we would like to extend a warm welcome to let you know that Whitsons School Nutrition has exciting plans for the school meal program. Our goal is to serve nutritious, well-balanced meals that appeal to students and the school community. We are pleased to provide a comprehensive school dining program at Southern York County School District that meets the National School Lunch and Breakfast Program requirements and engages students in developing a positive attitude on healthy eating.

At Whitsons we have gone back to a time when good food was simple. As part of our Simply Rooted® Food Philosophy we are focused on using ingredients that are locally sourced, all-natural, organic or non-GMO, and minimally processed, whenever possible. We've gone back to our roots and we would like the entire Southern York County school community to join us on this journey. We will continue serving favorite meals such as Brunch for Lunch, General Tso Bowl and Nachos Grande. Some new items that may appear on menus include: Meatless Buffalo Nuggets, Gruyere Cheese Egg Bites, a New Meatless Burger, and many new surprises you will see through the school year.

Here is some information that will be helpful to begin the new school year:

SCHOOL MEALS

The National School Lunch & Breakfast Program (NSLBP) is a federally funded program providing nutritionally balanced meals to children each school day. The USDA administers the program at the federal level and has approved the continuation of serving **FREE** meals to all students in the National School Lunch and Breakfast Program through the 2021-2022 school year. This means that all students enrolled at Southern York County School District will have access to nutritious meals at no cost to parents. We will also continue to provide meal access to our remote learners. Meal availability and distribution timing will be released at a future date.

Our interactive menus may be found online at www.fdtypemealplanner.com. Interactive menus provide you with nutritional and allergen information you need to make your school meal choices.

SIMPLY SAFE DINING

Dine with us stress free! In accordance with the Center for Disease Control and Department of Health, Whitsons School Nutrition has very strict food safety practices and procedures in place for handling food and sanitizing cafeterias, kitchens and serving areas. Students' safety is our number one priority, so let us take the mealtime worry out of your back to school experience!

SIMPLY ROOTED® CAFES

Our interactive healthy eating program motivates and inspires students to consider the many benefits healthy eating and exercise have on their growing bodies and minds. With Simply Rooted®, we are embarking on a movement to help students develop positive self-esteem and healthy eating habits by making a connection between attitudes and living healthy. It's all about making the connection between food and healthy eating habits.

At elementary schools, our award-winning Nutrition Safari® program will introduce younger students to lovable animal characters to teach them about selecting healthy choices from each different food group for a well-balanced diet. The program's mission is to encourage students to develop lifelong healthy eating practices.

At secondary schools, monthly Flaves will feature trendy menu items and activities to engage older students. Whitsons has also invested in professional signage and merchandising that creates a food court-style environment. It's like going out to lunch without ever leaving the building. Our goal is to entice students to make nutritious and delicious meal choices.

OTHER INFORMATION:

We're excited about our continued partnership with Southern York County School District and commit to providing a great program while becoming part of the Southern York County community.

Your opinion matters to us. If you have any suggestions for the school nutrition program, please contact Whitsons General Manager, Helen Heidler at Helen.heidler@syncsd.org or 717-235-4811 x 4550. We are here to serve you and your child(ren)'s needs and look forward to being a part of your community for many years to come.

Sincerely,
Helen Heidler
