### Academics & Scheduling

- Curriculum Guide
- Scheduling/Course Selection
- Graduation Requirements
- Graduation Project

This SHS Curriculum Guide linked below is designed to help students and parents decide which courses are best suited to students' goals, interests, aptitude, and abilities. The high school offers a flexible course of study that allows students to select courses that meet their academic needs. To assure the greatest possible school success, all students are encouraged to assess their aptitudes and future plans before selecting courses.

The descriptions in this guide provide an excellent overview of all the courses offered at Susquehannock High School. The document should be beneficial in helping students plan four successful and enjoyable years of high school. Students' choices determine their success or failure; therefore, students are urged to carefully select their courses. This important educational decision should be thoroughly discussed with parents. For more information concerning course selection, college admissions and requirements, or employment demands, students and parents should consult their school counselor.

# Scheduling Timeline

- January 10th to January 18th: Teachers enter recommendations for core courses (English, Social Studies, Mathematics, Science)
- January 25th: Scheduling portal in Sapphire opens
- January 31st: Scheduling portal in Sapphire closes at 3:00 PM
- February 2nd - February 24th: SHS Counselors meet with students individually
- March 2nd: Final deadline for SHS students to return schedule forms
- March 4th: Final deadline for SMS students to return schedule forms

# Getting Involved

- *SHS has 24 teams which provide opportunities for students to participate in athletic competition.*
- *SHS has 8 service-oriented clubs that meet to provide school enrichment and community service initiatives.*
- *Students participate in various additional clubs and organizations which assist with exploration of potential future disciplines.*
