- The detachable registration form below displays the schedule of dates and times of the various AP Exams administered at SHS. All Exams will be administered in May at either 8 am or 12 noon with no exceptions.
- The exam fee for each test is \$96 for SHS students. *If you or your student is experiencing financial hardship, you must speak with Mrs. Miklos ASAP as this may qualify you for a fee reduction.*
- Registration fee of \$40 will be deducted from the cost of the test and is **non-refundable** if the test is not taken.
- Balance of \$56 payable to SHS is **due by Monday, April 25, 2022** or you will not be permitted to test.
- To ensure fairness to all candidates, late testing using an alternate form of the exam will be allowed by the College Board only in cases of extreme hardship and must occur within one week of the regularly scheduled test. In some cases an extra fee of \$40 is charged. See Mrs. Miklos if you have any extenuating circumstances.
- *If and when in doubt as to whether you should take a specific AP Exam, consult with your subject teacher and college of your choice as to how it recognizes the exam scores. All students who have taken an AP course are encouraged to take the AP Exam in that subject area.*
- If you have any questions about AP Testing, please see Mrs. Miklos, school counselor, or email her at kate.miklos@sycsd.org.

*(Please detach and return with payment option)*
