After the experience, answer the bulleted questions below in a minimum one page typed response. The page should be formatted with size 12 font, double spaced, and have 1 inch margins.

Reflection Questions

- What did you learn about the schools who's booths you visited?
- How will this experience aid you in your education and career planning process?

When completed, upload this form as a cover page along with your typed response into Naviance as a document named Field Experience (MM-DD-YY). You must have this page or some type of proof of attendance for your post-secondary fair visit reflection to be counted towards completion of your Graduation Project.
